

Mendocino County Science Fair

Technology Use for Log Book

This form must be completed if the student(s) is completing their log book digitally. This is to ensure that the work provided in the digital version of the log book was created by the student. This form needs to be submitted upon registration to the County Science Fair.

Current Date:

Student Name(s):

This is to certify that I, _____
(*type or print name of advisor*)

certify that, to my personal knowledge, that the log book created by the above-named student(s) was created by them and only them with little to no guidance from other students or adults.
